

Dear guests,

We are grateful and excited to welcome you back to Linwood Spiritual Center.

Our staff and the SU community have worked diligently to keep Linwood safe these many months and are committed to do so for you as well.

Here are a few of the actions we are taking to keep us all safe so that you may enjoy and appreciate the beauty of Linwood as you always have:

- All surfaces are sanitized daily. All bathrooms are sanitized twice daily.
- All dining areas are sanitized after every meal.
- There is a mandatory 24 hours between groups for sanitizing.
- Although our bathrooms are shared, you will be assigned your own personal shower, toilet, and sink throughout your stay which can only be used by you or an approved member of your household.
(This limits the rooms available per floor.)
- All *touchpoint* materials have been removed from rooms.
- Meals will be plated or boxed.
- Seating is socially distant unless you sit with a member of your household.
- Meeting spaces are restricted based on social distancing.
- We have sanitizing stations throughout the buildings.

Linwood Spiritual Center is compliant beyond the regulations set by the State of New York and we ask that you too follow our guidelines below:

- Pre-arrival, guests are required to fill out and submit a health survey and Liability Waiver. *If individuals are from the same household they will fill out an additional waiver, allowing them to share a room, bathroom, dining room table, and be together while on property.*

Upon arrival to Linwood:

- Wear a mask.
- Follow signs to the reception station and put on disposable gloves.
- Staff will test your temperature.
- You will fill out the health survey sheet.
- If you do not meet the health requirements arrangements will be made for you to contact your health provider and leave the property.
- Discard gloves.
- Check into your room.
- If you choose to go off the property for any reason you must repeat the process.

Guests (As well as staff and SU Community) will wear a mask throughout the day EXCEPT

- While sitting/meeting/eating socially distant (6 feet apart)
- When outside if more than 6 feet apart.
- In your bedroom.
- When sharing the washroom facilities and walking while back and forth from the residential bathrooms.
- If you enter another guest's bedroom unless you are considered to be from the same household.

All guests are encouraged to wash hands regularly and to help us sanitize by making use of cleaning supplies in their rooms and bathrooms. All guests are encouraged to make use of all common bathrooms on the first floor and their own sinks if they have one in their room. Disposable gloves must be worn when using the books in the library.

Once again, we cannot wait to see you. It has been way too long. You can be sure that beneath our masks we are smiling ear to ear. If you have any questions and concerns that we can assist you with, please do not hesitate to contact us.

As always, we are in this together and together we will rise!

Peace,

Terence McCorry

Director, on behalf of the Linwood staff and the SU Community
